“ *I will always love and miss you Annie, prayers to your family and friends. Am at a loss for words, rest In Heaven!*

Gloria Howery - September 09, 2018 at 12:02 AM

“ *We all use the term FRIEND loosely; however, I mean it when I say I'm saddened at the loss of my friend. Annie and I have come through our NRCS careers together and have communicated on all levels. It was such a joy to be in her presence and to giggle about anything. I'm smiling now as I think of her whispering as we speak on any subject. I'm sure I repeat everyone's thoughts when talking about how much she loved her family. Her family was always the highlight of our conversation.*

Annie, you are missed!

*Love,
Allen Curry*

Annie was a true professional. Farmers and partners always loved working with her. Here she is presenting conservation information to farmers and extension agents at a farm field day.
