“ *To the family, I want to express my condolences as you deal with the loss of your mother. I met Bobbie Jean in 2005, 14 years ago while working in Noxubee Co School District. As the new business manager I was her supervisor. I learned to respect her work ethics, dedication and admire how well she performed her job. Your mom, sister was a wonderful person and I pray for you all that the Lord will comfort and keep you in the days and years ahead. God bless- Terry Stennis*
