“ *I thank God for men of honor and integrity. Not only did he talk it, taught it, but he lived the life he talked about. Now that is what I call peace. He enjoyed the life he talked about. He will live on in the lives he taught.*

*I thank God, our paths crossed and he is still influencing me today.*

*Much love for his family,*

“ Charles was one of our best working partners in the planning department at United Technologies. I will always remember the good days at work and the joys of keeping each other in as good a mood working as we could while creating schedules of building motors and buying the material to be available for those schedules. He was a good guy and I will never forget him. God's riches blessings on his wife, daughtrs and grands. and other family members.

“ Mrs. Chambry, Sharon, Regina, I am truly sorry for your loss. It came as quite a shock when I heard of Mr. Chamby’s passing. He/you have all been a part of my life for as long as I can remember. Whenever I returned to Columbus I always looked forward to returning to church. The people there are like family to me. I remember I used to call Mr. Chambry “Uncle Charles” when I was little. I still don’t see why he was not my uncle. Seeing him a few weeks ago seeming like himself it is difficult to comprehend how/why this would happen. But God has a perfect plan of which we need not understand – just accept. I pray for you to have peace and no regrets. Protect and love each other. Hold strong and lean on God. The lessons I learned in Sunday school stick with me to this day. I have seen a lot of similar comments from others of our congregation and some who only passed through. Everybody maintains fond memories of Mr. Chambry. With Utmost Respect to the Family of Mr. Charles Chambry
