“ *Ms. Liz was a true, dear and thoughtful neighbor. She had a heart of gold, it was really a blessing to anyone that knew her. In my difficult times, although she was not well, she would bring over produce from her church outreach. When my husband passed she was one of the first to check on me and send flowers. She was the very last person beside myself to talk to my son the day he fell ill, and during the period he was in the hospital she would bring over little love gifts to make a difficult time easier. She was that little bit of sunshine in a dark period. If I didn't see her for while I would normally call her just to see if she was okay, but that week of her passing my sister was hospitalized. It hurts my heart that I didn't call her just to talk to her. This neighborhood has loss a true neighbor and friend and she will be so greatly missed. My prayers and love go out to Tshurah and all her family. God bless you with strength and comfort.*
