“ *To the Florence McGowan Family I called her Mrs. McGowan. I met her at Carver Middle School in Meridian, MS. I worked as an assistant, I helped her in her reading classes. She was much younger than me, but we got along good. I got to know her as a very good teacher and disciplinary. I lost touch with her on a regular basis once she left Carver. I saw her several months ago and she told me she was battling cancer. I want her children and family to know that I feel that she knew the Lord. I just wanted you to know that my heart and prayers go out to you. I'm praying the Lord will comfort you in time.*
