“ *I remember so many great things about Mr. Frazier (This is how I have always referred to him). He in my opinion, is someone that I have always admired and thought of when I think of home, given that I haven't lived in Crawford, Ms. for more than 30 years. I feel that an important part of my childhood has been impacted now that Mr. Frazier has gone home to be with God. Still, the great memories of him and his humble demeanor lives, and with that, so will he for as long as I live.*
