“ Sending prayers of peace and comfort to our First Family, we love you guys. My favorite memory of Bishop and 1st Lady is our family got seated close to them at a restaurant, and even though we seen them, we didn't want to disturb them. But 1st Lady made eye contact with us, and they both got up mid meal and got on to us about not speaking to them, we was so tickled 😂 and we told them it was only because we didn't want to disturb there meal. Of course Bishop said, I don't care where we at, or what we're doing, y'all come speak to us, we always have time for yall... That was him, that was her, that was them. We love you both, together again with his girlfriend. ❤️❤️❤️❤️❤️
