“ When I first met Chris he and darn near to whole town of Macon, Mississippi showed up at my front door to meet his daughter Kylei for the first time, all bearing gifts and love,my living room was connected to the kitchen area they were in a pack😊, the love he and his mother showed us that day, never did change, Chris was the best Father and person I ever met in my entire life, I know that he was raised with love, respect, honesty and kindness, I could go on about how much I love him, I pray everyday for my granddaughter Kylei, her Mama Verlean and of course the rest of the family, give them the strength oh God,they are ❤️
