“ I worked with Michael at Sears for several years. All I can see right now is that smile. I can see him coming through the warehouse doors smiling and saying "Hey Miss Kim!" He was always an inspiration to everyone around him and everyone there loved him. I have never encountered anyone else that had a positive attitude every single day and had a smile every time you saw him. I have reached out to several former Sears employees and the first thing they say is "That Smile" He loved his family. He would often talk about how smart his sisters were. His work ethic was extraordinary!!!! I send my love and prayers to his wife and children along with rest of his family. Heaven definitely gained a magnificent angel!!!!
