“ *Nathion was my Daddy's very good friend. They always had a smile and a laugh for each other every time their paths crossed. I loved him through my Daddy's love and respect for him. He was a happy and jolly man at all times. I can honestly say that I never saw him without a smile. O will forever remember you and the friendship that you and my Daddy shared and rest with the thought that the two of you are together again, laughing and having a good time in Heaven...* ❤️🕊️
