“ As I think about Mr. Mane...I think of the countless days he and my Dad(Gother Williams) would sit around on the weekends listening to music...laughing and talking for hours! If my memory serves me right...he had a light colored Cadillac back then... and.all I can remember to this day.. is shaking from fear after getting out of that car!! I promise it seems like five hours.. getting from the South End to the Gompers! Mr, Mane didn't believe in driving less than 120mph...at least that's what it seemed like to me! He was truly the first Nascar driver that I knew of! He would be waving his hair back with one hand...talking to my Dad in the passenger seat...and Me..my Mom and Mrs. Vera would be hanging on in that back seat!!! Rest in Heaven now Mr. Jones!! No more suffering!
