“ My sincere heartfelt condolences to the Dixon (and related families): I have fond memories of Ms Sandra . When she would visit Tammy and her family in Maryland, some kind of way they would come over to our house and we’d end up playing spades. She was such an excellent player and trash talker, that my hubby always chose her as his preferred partner. We always had such fun! I will have those memories for as long as I live on this side of eternity

We extend our Condolences to the family. I love hearing her sing! Such an anointed voice! I had the pleasure of singing with her on the Brick M. B. Church choir.
