“ With heart-felt condolences to the family of Savannah “Bay Will “ Jones, sending caring thoughts and prayers your way. I was so saddened to hear of her passing yet rejoicing and praising God for her promotion. She was very dear to my heart. I remember the times when I was young, she and David would come to visit daddy, she would affectionately say “I had to come see my cousin “Arthur Lee” & Hattie (Blair) Her spirit was so warm and contagious, not knowing that she and I would meet years later on the ministry field. She and I spent many of days studying together in ministerial school (I SM) under Sis Gloria Jamison. We shared our love for Christ and His people. She will truly be missed as a beacon of light that lead many to Christ. Our times together will always serve as memories never to be forgotten. You can rest now from your labor. I will not say goodbye just farewell until we meet again. Sent with love ❤️ and remembrance of your beloved mother🥰 Minister Pearlie Blair Dent
