This is sad time for all of us who knew Toney, who grew up like my little brother.

We loved him, but God loved him more.

“ *Tony was such a wonderful childhood friend through our years of playing sports and even into our adult years as we shared his TV experiences and my Radio stories. On occasion we'd see each other at events and catch up. TP is one of the people that comes to mind when I reminisce what a great childhood we had. God bless his soul and his family today and the days ahead. I'm almost certain that anyone who met Tony was blessed by knowing him.....*
